MEMORANDUM FOR THE RECORD

SUBJECT: Conversation with Colonel White Concerning Regulation No.

25X1

1. The undersigned had the following telephone conversation with Colonel White today concerning Regulation No.

25X1

2. Colonel White agrees that Administrative Services should not have recourse to OSO files. He says he clearly recognizes that this is an OSO responsibility and that topside should get it only in an effort to be of assistance to OSO. The other point he wanted to make, and the undersigned concurred, was that Regulation No. would be all-inclusive in its wording but not in its application and that the agreement would hold that Administrative Services would not come into OSO without our concurrence or specifically at our request.
